

# CLIVE PEETERS 2008 LAUNCESTON TO HOBART YACHT RACE

## BULLETIN NO 2

1. The Advanced Notice of Race is now on the L2H website ([www.l2h.com.au](http://www.l2h.com.au).)
2. You will see from the Advanced Notice of Race that the course has been slightly changed in that you will be required to leave Swan Island to Starboard. This has come about for safety reasons after consultation with both past competitors and persons familiar with the area.
3. Interest in the race has been tremendous with our expected entry list of 50 likely to be achieved. This will include an expanded Multihull fleet with a couple of interstate yachts already confirmed as starters.
4. In another exciting concept for the race we will be having a prize for early bird entries. The Notice of Race which will be published in late August will have a date set for entries and those that have entered prior to the early bird date will be placed in a draw for a **free entry**.
5. For those that are not sure of the VHF antenna requirements for the race under Section 3.25 of the YA Special Regulations, Yachting Australia issued on the 21<sup>st</sup> July 2008 Amendment No 6 and effective from the 21<sup>st</sup> July, 2008 which reads that it is now mandatory to have the masthead antenna for races in the safety category of 1, 2 and 3. Therefore all entrants with a mast height above the water of 11m shall be required to have the antenna.
6. In relation to Navigation Lights any yachts that are carrying masthead tri colour navigation lights they must also carry Port, Starboard and stern pulpit lights as it is illegal to motor with tri colour navigation lights.
7. As an explanation for the entry fee being set higher this year, we will be supplying to skippers and crew MUSTO Polo's and caps and of course a MUSTO jacket to the skipper. Because of the superior quality of the Polo's and caps the cost has increased.
8. On Thursday the 14<sup>th</sup> August Jeff Cordell, winner of last year's race and a long time competitor of the 3 Peaks Race will give a lecture on preparation for long offshore races such as the L2H. The lecture will start at 7.30pm and all are welcome.
9. **REMINDER: CLIVE PEETERS OFFERS CORPORATE DISCOUNT TO ALL YACHTIES SO PLEASE WHEN VISITING THE MOONAH STORE CONSULT WITH ANDREA OLIVER (Sales Manager) or DARREN STEPHEN (Sales Executive) TO RECEIVE YOUR SPECIAL DISCOUNT.**
